

eurobiotechjobs.net

The shortage of skilled labour is a serious obstacle to growth for businesses in many European countries. At the same time, in many places well-qualified people are looking for a job – they might even want to work in another European country. Unfortunately, the labour markets in Europe are very diverse. How do I find a new job or a new employee? Now, there is an easy solution: eurobiotechjobs.net, the new, Europe-wide job market for biotechnology and the life sciences. Presented by the European BiotechnologyNetwork.
